Please note: (1) There is a 24-hour minimum waiting period from the time you fill out an application until you are notified of our decision. It could be longer, based on the dog's availability. (2) It is possible that you may be approved to adopt an animal from us but you may not be awarded the animal you are applying for. Our first priority is finding the best home for each of our animals, and we must use our judgment and experience to make that decision. In the event that your application is denied, you will receive an email letting you know of our decision. We will not necessarily give you detailed information as to the reason for the denial.
