The Morongo Basin Humane Society Board and the staff of the Joshua Tree No-Kill Shelter are hosting an ice cream social, featuring angel food cake and Coldstone Creamery ice cream, to honor our Guardian-Angel-level supporters. Everyone is welcome to attend.

The social will be held Sunday, June 11, 2017, from 1-3 at the Center for Healthy Generations. Guardian Angels are invited as our guests; a \$5 donation is suggested for non-Guardian Angels.

Along with a meet-and-greet of the board and staff, there will be an “Ask the Trainer” presentation by Ronda Warywoda, Board member and owner of 29K9 Dog Training.

This is a casual, fun event, and we hope you will join us. If you plan to attend, please RSVP to Eleonore Claire, phone 760-408-7275 or email fivehappydogs@gmail.com.

The Center for Healthy Generations is located at 57121 Sunnyslope Drive in Yucca Valley. Take 29Palms Highway, then north on Old Woman Springs Road. Turn left on Sunnyslope. The Center is on your left immediately after La Palapa Restaurant. We look forward to seeing you there!

A big thank you to Coldstone Creamery for donating their delicious ice cream again this year for our event and to the Center for Healthy Generations for making their Great Room available to us free of charge.
