Greetings!

The Morongo Basin Humane Society is preparing for its 9th annual fundraiser, the Woof!Walk, which will be held at the Wild West Theater in Pioneertown on April 1, 2023. All proceeds benefit the programs and operation of the Joshua Tree No-Kill Shelter.

The Woof Walk is a fun day of food, vendors, a parade of available Shelter dogs, raffles, auctions, and of course the walk with our best four-legged friends.

We would appreciate a donation from you of an item we could use in our live auction or in one of our raffles. The MBHS is a 501(c)(3) non-profit organization, and donations are tax deductible (FEIN 23-7398947).

You would be listed in our program as a donor, and we would acknowledge your gift on our Facebook & Instagram & website. But best of all, you would be helping innocent animals that suddenly find themselves without a home.

Nearly 100 percent of the shelter funding comes from our loyal and enthusiastic community of residents, businesses, and organizations throughout the Morongo Basin and beyond.

We can easily arrange to pick up your generous gift and deliver your receipt, preferably by March 15 or thereabouts. With much gratitude, we eagerly anticipate your participation in our community fundraiser.

Sincerely,

Mimi Mitz, President
Board of Directors
