NEW DIGS FOR DOGS AND CATS!

The current Joshua Tree No Kill Shelter is over 40 years old and costing too much to maintain. After receiving overwhelmingly favorable community feedback for a new shelter, we are on our way to creating "New digs for dogs and cats."

Our plans for the new shelter and adoption complex will consist of several buildings that include housing for cats and kittens, dog kennels, plus several shaded dog parks for doggie free play.

Our goal is to raise \$1 million to accomplish this task. Nearly 100% of our funding comes from our loyal and enthusiastic community, a solid donor base, volunteers and many fundraising activities which include birthday fundraisers, Amazon smile purchases, and our annual Woof Walk.

We are so thankful for all the donations to our "new digs for dogs and cats" campaign. We cannot do it without YOU.
